ISO New England is a regional transmission organization (RTO) serving Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont. ISO New England meets the electricity demands of the region's economy and people by fulfilling three primary responsibilities.

Come learn about the ISO, their responsibilities and how it is all done, along with learning about:

- The bulk power system
- How the wholesale electricity markets work
- Challenges facing the electric power industry today

Tour includes a Control Room viewing and overview by ISO-NE's Manager of Operations

**\$25 for MSPE ISO-NE - Proceeds to support the MSPE Scholarship Fund**

**Space is limited to the first 20 registrants and payments received.** Advance registration and payment is due by February 13, 2010. Please fill in all your information below and mail with check made out to MSPE, The Engineering Center, One Walnut Street, Boston, MA 02108
